

Hold That Thought | A Group Show

This summer, 99 Loop is thrilled to present Hold That Thought, a group exhibition that bridges the gap between one year and the next. Featuring a dynamic selection of works by our roster of artists alongside exciting contributions from fresh talents, this showcase reflects the collective experience of endings and beginnings.

The pieces on display delve into themes of introspection, renewal, and anticipation—capturing the essence of a season marked by reflection and transformation. As the year draws to a close, Hold That Thought invites us to pause, hold space for the trials and triumphs of the past, and consider the possibilities that lie ahead.

Running through December and January, the exhibition serves as both a celebration of artistic voices and a moment of contemplation, offering visitors an opportunity to engage with art that resonates with the rhythms of transition unique to this time of the year.
